Time period covered by this Environmental Review:

January 1, 2020 through December 31, 2020

Project Name / Description:

SAMISH NAHASDA: Construction Cost (0004)

This program will entail affordable housing pre-development costs including legal, consulting, developer and other costs related to obtaining site options, project financing, administrative costs and fees for loan commitments, zoning approvals, project engineering and design, and other related activities which do not have a physical impact.

This program will include a development and construction of up to eighteen (18) units of rental housing of which 9 units will be designated as affordable permanent housing for our low-income households and a Community Center. This activity had undergone a full HUD Environmental Assessment process and the final EA, signed and certified on XX/XX/XXXX, is attached and serves as the ERR for this activity.
